Ten Years  ZERO Lost Work Day Accidents!

## 60+ YEARS IN THE INDUSTRY

Cardinal Contracting, LLC is one of the nation's premier rigging and millwright contractors. We specialize in industrial machinery moving, heavy rigging, equipment and machinery assembly, and installation. We also have decades of experience in precision leveling and alignment, metal fabrication, heavy hauling, equipment rental, and warehousing and storage.

Cardinal's 60+ years of experience and unmatched customer service are why our customers keep coming back. Whether it is a single press move, a turnkey machinery line installation or an entire plant relocation, we know how to get the job done on time and within budget.

## SAFETY IS KING

There's no substitute for safety. Since the founding of the company, Cardinal has implemented a strict policy to maintain a safe working environment for both its employees and its customers:

- Ongoing safety training programs
- Mandatory company-wide drug testing policy
- Full-Time Safety Director

This unwavering commitment to safety is reflected in Cardinal's consistently low EMR of .68

## NO PROJECT HANDOFFS

We pride ourselves on customer service and a "no handoffs" approach - the expert that reviews your job and provides you with an estimate is also the Project Manager that will see the project through to completion and ensure your satisfaction.

## EQUIPPED FOR SUCCESS

### Fork Lifts

We have 156 fork lifts with forks and booms rated from 3,000 lbs to 90,000 lbs lifting capacity.

### Hydraulic Gantry Lifting Systems

For the heaviest applications we offer five, four-leg hydraulic gantry systems with up to 240' of travel:

- 1000-ton system with 27' vertical lift
- 650-ton Power Tower with 35' vertical lift
- 500-ton Power Tower with 35' vertical lift
- 400-ton Power Tower with 30' vertical lift
- 40-ton Mini Gantry with 17' vertical lift

### Cranes

We have 29 specialized units with lifting capacity from 2.5 to 75 tons.

### Machinery Carts

On-site transportation for heavy machinery is provided by our 30, 50, 100, or 200-ton die carts, machinery skates up to 200 tons, and our Scheuerle SPMT Light - a remote-controlled, hydraulic trailer with 194-ton capacity.

### Tractors & Trailers

Our fleet includes 11 tractors and 41 trailers consisting of flat bed, single and double drop, detach, and Landoll trailers. We provide local hauling with capacities up to 250 tons and nationwide heavy hauling through strategic alliances.

### Warehousing & Storage

If you don't want to risk the timely delivery of your equipment, we can store it and deliver exactly when you need it. Or, if you need a temporary home for some of your equipment, we have more than 100,000 SF of storage space to accommodate your needs.
